I have told you that the spirits of darkness are going to inspire their human hosts, in whom they will be dwelling, to find a vaccine that will drive all inclination toward spirituality out of people's souls when they are still very young...

-Rudolph Steiner

Lecture 13: "The Fallen Spirits' Influence in the World"
Dornach, 27th October 1917

"People will be inoculated against their disposition towards spiritual ideas. The materialistic physicians will be entrusted with the task of expelling the souls from mankind".

– Rudolf Steiner, 1917

Thanks James, that's a fascinating read and very thought provoking. And I'm only half way through part 1 so far. So much of what Mr Guenther says makes sense and chimes with what we have seen these past few years

I'm not sure about Steiner though, I'm conflicted tbh. He talks a lot of sense but some of his stuff is too far of a stretch for me. That could be due to my ignorance of course...

He says:

“....the “members” of the human being. “Members” are the different “bodies,” both physical and non-physical, that constitute a human being. For example, in Steiner’s cosmology, there is the Material body, Astral body, Etheric body, Soul, The “I”, the Angel, the Double, etc.”

and

“The human being lives also in all areas of the supersensible world and consists of many higher members (bodies), which together form the human aura in its complexity. In former times, these members – often under different names – were part of a cognitive inquiry and spiritual traditions. Today the best-known entity among these members is the material body.”

Wow...

And I've seen it convincingly said that he was, at root, some sort of spook
